SCHOOL STARTS SEPTEMBER 4, PREPARE FOR TRAFFIC DELAYS

Many students will be returning to school on September 4, 2018. There are also a number of construction projects in the area. Please be mindful of the speed limits in Berwyn Heights, particularly around Berwyn Heights Elementary School. The Berwyn Heights Police Department will have zero tolerance for traffic violations in school zones the first two weeks of school. Plan for possible delays in your morning and evening commutes in light of the increased school traffic and construction on Pontiac Street.

NO EVENTS NEXT WEEK

INFRASTRUCTURE UPDATE

There are several infrastructure projects happening simultaneously around town.

Prince George's County continues extensive rehabilitation to the Town's storm water drainage system, including restoring approximately 50 inlets in Berwyn Heights. The project is anticipated to take a couple of more weeks. Road resurfacing has begun on Pontiac Street. Public Works also cleared overgrown foliage in several areas, including Pop's Park. If you have any questions or concerns about this work, please call the Department of Public Work's at (301) 474-6897.
